Harold -

I shall try to respond soon to your copious correspondence. I am terribly busy right now and have had to put it off. Please sit tight; I'll try to get something off within the next few days.

The 399 base photo in my memo (photo-W) is the one that the Archives sent to me, I believe I sent you the letter in which Archives said they erroneously had it with Nichols' stuff.

To the best of my recollection (and I think it very exact on this), Archives

Showed me no pictures of 399 base —
not yours, not Roffmans — none. $\frac{B}{B}$ I
say this (a) because I do not remember
seeing any base photos, and (b) because
I would have ordered copies if they
had shown them to me.

Too bad about not being able
to smoke — especially the cigars.
Please try to take care of yourself;
and learn how to go easy. I know
that it's hard, but you must try.

Still,

Dick
